Highlights

Ideal for out and about

This stylish cup helps keep your toddler's drink fresh for longer when out and about

Non-spill spout

Patented valve controls flow to avoid spillage, even if held upside down or if left on its side.

Faster flow and bite resistant

Spout is designed to be bite resistant with a faster flow and the cup has larger capacity for active toddlers

Flip-top lid keeps spout clean

The flip-top lid keeps spout clean when on the go and ensures leak-proof transport

Dishwasher safe

All parts are dishwasher safe for convenience

Soft anti-slip base

Cup is designed with soft anti-slip rubber base for added stability
