Congratulations on your purchase, and welcome to Philips! To fully benefit from the support that Philips offers, register your product at www.philips.com/welcome.

1 Important

Read this user manual carefully before you use the appliance and keep it for future reference.

WARNING: Do not use this appliance near water.

• When the appliance is used in a bathroom, unplug it after use since the proximity of water presents a risk, even when the appliance is switched off.

WARNING: Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

• Always unplug the appliance after use.

• If the appliance overheats, it switches off automatically. Unplug the appliance and let it cool down for a few minutes.

Before you switch the appliance on again, check the grilles to make sure they are not blocked by fluff, hair, etc.

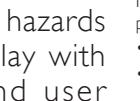

• If the mains cord is damaged, you must have it replaced by Philips, a service centre authorised by Philips or similarly qualified persons in order to avoid a hazard.

• This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.

• Please do not leave the appliance unattended while it is being used.

• If the mains cord is damaged, you must have it replaced by Philips, a service centre authorised by Philips or similarly qualified persons in order to avoid a hazard.

• Please do not leave the appliance unattended while it is being used.

• If the mains cord is damaged, you must have it replaced by Philips, a service centre authorised by Philips or similarly qualified persons in order to avoid a hazard.

• Please do not leave the appliance unattended while it is being used.

• Please do not leave the appliance unattended while it is being used.
