Healthy homemade food, unlimited possibilities

Great results with even the toughest ingredients

If you enjoy healthy homemade meals, you'll love our Philips Viva Compact Food Processor. We've designed this collection especially for hectic lives. You can quickly prepare great dishes, even when they contain the toughest ingredients.

Designed for your busy lifestyle
- Color-coded speed and accessories guide for easy matching
- Quick and easy assembly of all parts
- Fast preparation with large feeding tube for minimal pre-cut
- Powerful 850W motor for effortless processing
- All-in-one: knead, whisk, shred, slice, grind and juice
- PowerChop technology for superior chopping performance

Compact design: less space, great performance
- 2 –in-1 double-sided stainless steel discs: shred & slice
- All accessories are dishwasher safe
- Smaller footprint and in-bowl storage for all accessories
- Make up to 5 portions at same time with 1.5L bowl capacity

Durable extra jar
- Resistant and transparent jar for heavy use

PHILIPS

Compact Food Processor
850 W 30 functions, 2-in-1 disc, Citrus press & mill

HR7520/01

Highlights

Powerful 850W motor
Our powerful motor can easily handle a great variety of ingredients such as bread dough, hard vegetables, coffee beans, cheese or chocolate. It also slices and shreds with ease.

PowerChop technology

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result in both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

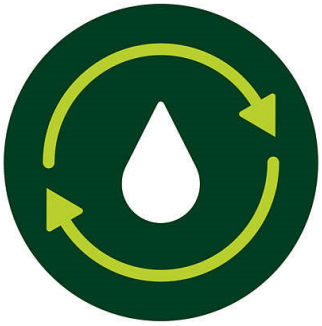
Over 30+ functions
With more than 30 functions, there is no limit to what you can make: meals, bread, sauces, ground coffee beans, juices and more. Use its high quality and multifunctional accessories to chop, puree and mince ingredients (S-blade), or just slice and shred (2-in-1 disc). Whatever you're in the mood for!

Large feeding tube

Fast preparation with large feeding tube for minimal pre-cut.

Color-coded speed guidance
For perfect results every time, just match the accessory color to the same speed color. Use speed 1 to whip cream, beat eggs, make pastries and bread doughs. Speed 2 is ideal to chop onions, mince meat, make smoothies and more.

Quick and easy assembly



Quick and easy assembly of all parts.

Space-saver design
The compact Viva Food Processor takes up less counter top space, yet it is fully equipped with all of the kitchen essentials that you can easily store inside of the bowl.

Stainless steel 2-in-1 disc
Ergonomic, double-sided disc makes it easy to slice with one side and shred with the other side!

Up to 5 portions in one go
The generous 2.1L bowl (1.5 L working capacity) lets you blend up to 5 portions of cold soup in one go.

Dishwasher-safe accessories

All accessory parts can be put on the top rack of your dishwasher for easy cleaning.

Break-resistant jar

The 1.5L resistant jar has a working capacity of 1L for up to 5 smoothie portions at once.
