Highlights

Proven safe and effective

Philips Zoom WhiteSpeed lamp is backed by studies that have shown it is safe and effective for your teeth and gums. 95% of patients surveyed agree Philips Zoom WhiteSpeed lamp produces excellent results.*

Adjustable settings

Unlike some other whitening systems, Philips Zoom WhiteSpeed has adjustable intensity settings and can be customized to eliminate sensitivity to maximize your comfort. In fact, over 90% of people surveyed experienced little to no sensitivity with Philips Zoom WhiteSpeed lamp.

Light-activated technology

Unlike many other systems, Philips Zoom WhiteSpeed uses a proprietary LED light to accelerate whitening for maximum results in minimal time.
