Highlights

NanoTech Dual Precision blades

With up to 165.000 cutting actions per minute, the NanoTech Dual Precision blades deliver extremely close results at skin level. Now reengineered with Guide & Cut System and hardened with nano particles, the 72 self-sharpening blades have extra strong and long lasting sharp edges for an ultimate closeness at all times

Hydro SkinGlide coating

Our best protective coating lies between the shaver heads and your skin. Made of up to 500.000 microtech beads with hydrophilic properties per square centimeter, creating smoother gliding on skin by 50%* for maximum skin comfort.

Ultraflex Suspension system

Fully flexible heads completely adapt to every contour of your face catching even difficult hairs. The result is an exceptionally smooth and comfortable shave.

Top-spin digital motor

Maximum rotations for maximum efficiency, Philips' most advanced digital motor ensures a precise shave no matter the facial contour or hair density.

Power Adapt sensor

The electric shaver has intelligent facial-hair sensor that reads hair density 500 times per second. The technology auto-adapts cutting power for an effortless and gentle shave.

Personal Comfort settings

Adjust the speed of your shaver and personalize your shaving routine to your own skin and preferences.

One-touch open

Clean your electric shaver with the touch of a button. Simply flip open the shaver head and rinse with water.

Premium pouch

The S9000 Prestige Shaver comes neatly packed in a premium storage pouch with a Qi charging pad and accessories. Ideal for travel or keeping it safe when it's not in use.

Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

SmartClick precision trimmer

Skin-friendly and easy to use, give your mustache and sideburns extra definition with the SmartClick precision trimmer.

Cable-free Quick Clean Pod

10x more effective than cleaning with water****, the powerful cleaning pod thoroughly cleans and lubricates your shaver in just 1 minute. Using it helps maintain shaver performance and increase hygiene.
