## XL water filling hole

An extra-large opening for filling the water tank makes quick work of refills and emptying.

## Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It's non-stick, scratch resistant and simple to keep clean.

## Steam boost up to 180 g

Penetrates deeper into fabrics to easily remove stubborn creases.

## Triple precision tip

The tip is precise in 3 ways. It has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

## Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets — and iron with confidence at any temperature.
