# Highlights

## Drip-stop system

Your Philips steam iron's Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

## Extra-large water inlet

With the extra-large water inlet, adding water to your iron is quick and easy. It only takes a few seconds, and there's no more risk of spilling water everywhere!

## Extra long cord

With the extra long cord, you can easily reach right up to the edges of your ironing board — and further!

## Highly visible water level

The extra-clear indicator of your Philips iron makes the water level highly visible, so you always know if you have enough water at a glance.

## Pointed tip

The uniquely pointed tip allows you to iron even the hardest to reach areas.

## SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.
