PHILIPS

Highlights

2400 W to heat up quickly

Delivers a fast warm-up and powerful performance.

Steam boost up to 150 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Up to 30 g/min of steam

Strong and consistent steam output to remove creases faster.

Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It's non-stick, scratch resistant and simple to keep clean.

Automatic shut-off

The iron shuts itself off if you leave it standing still. On its heel rest, it will automatically switch off in 8 minutes. Lying flat, it shuts down after 30 seconds motionless.

Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets — and iron with confidence at any temperature.

Triple precision tip

The tip is precise in 3 ways. It has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

Extra-long 2.5 cord

An extra-long 2.5-meter cord provides maximum reach to anywhere on the ironing board and convenience.

Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.
