- Steam Boost: Up to 95 gr/min

Highlights

Extra-large water inlet

With the extra-large water inlet, adding water to your iron is quick and easy. It only takes a few seconds, and there's no more risk of spilling water everywhere!

Extra-long cord length

With EasyCare's extra-long 3 m cord, you can easily reach right up to the edges of your ironing board – and further!

Highly visible water level

The extra-clear indicator of your Philips iron, makes the water level highly visible, so you always know if you have enough water at a glance.

Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Careeza soleplate

Careeza soleplate for exceptional gliding on all fabrics

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank. So you can iron more clothes in one go.

Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.
