Highlights

Cordless wet and dry usage

Designed with an anti-slip grip, ideal for use with water. Enables a more comfortable, gentle experience in your shower or bath. You can use it cordless for best convenience.

Shaving head and trimming comb

The shaving head provides a close shave and more gentleness in different body areas. It comes with a trimming comb to style your bikini area.

Trimming head and bikini comb

It includes a trimming head and bikini comb to trim and shape delicate areas for more convenience.

Body exfoliation brush

Our body exfoliation brush removes dead skin cells and helps to prevent ingrown hairs. The 48,200 hypo-allergenic, fine bristles gently yet effectively sweep away dead skin cells and

stimulate the regeneration of the skin surface. This device will exfoliate your skin more effectively than manual treatment alone.

Delicate area cap

For extra gentleness in the areas you need it most, a delicate area cap is included to easily remove unwanted hairs from your face, underarms and bikini area.

Optimal contact cap

Epilate with ease and experience maximum comfort with the optimal contact cap. It's designed to reduce skin pulling and discomfort by gently stretching the area you're treating, so you don't have to.

Extra wide epilator

Extra wide epilator head covers more skin with every stroke for faster hair removal. Unique light ensures you don't miss fine hairs for best epilation results for all body parts.

Light tweezers

These smart and light tweezers with the mirror allows you to shape your eyebrows just how you want them.

Massage head

Our body massager gives you a relaxing treatment so you can enjoy radiant-looking skin.

Pedicure foot file

Our unique rotating pedicure disc is specifically designed to give you satin-smooth feet from heel to toe. You can use the ultra-precision edge for precise and thorough callus removal. The unique rotating disc can be used to treat large areas and smoothes your skin.
