6 heat & speed settings

Cool shot

BHD169/00

Fast dry at a lower temperature with
ThermoProtect
with 14mm styling nozzle.

Protect your hair while still enjoying fast drying results. Choose from multiple speed and temperature settings to get the blow dry you want or select ThermoProtect for fast drying at a constant caring temperature.

Beautifully styled hair

- Professional 2100W for perfect salon results
- Six flexible speed and temperature settings for full control
- Perfect styling results with a slim styling nozzle
- Cool Shot sets your style

Less Hair Damage

- ThermoProtect temperature setting

Easy to use

- 1.8 m power cord
- Easy storage hook for convenient storage
- Removeable air flow filter makes cleaning quick and easy

Highlights

ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

Speed and temperature settings

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.

1.8 m cord

Convenient to use thanks to the 1.8m power cord length.

Professional 2100W

This 2100W professional hairdryer creates a powerful airflow. The resulting combination of power and speed makes drying and styling your hair quicker and easier.

Cool Shot

A must-have professional function for hair stylists. The Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

Slim styling nozzle

Perfect styling results and a shiny, polished look with a slim styling nozzle for precise styling.

Removeable air inlet filter

The removeable air flow filter of your hairdryer is easy to maintain. Simply click off to clean. Doing this regularly will prevent build up of dust and hair that can affect drying performance.
