Ideal angle for easy reach

Ideal angle for easy reach and maximum comfort

Safeguard trimmer

In the revolutionary Philips SafeGuard trimmer the cutter is protected by an ultra thin foil guard to ensure only hair can get in, not your skin.

On top, your hair can not get caught between two separately moving cutting blades, so no pulling of hair is guaranteed.

Soft grip

The soft-touch rubber grip elements ensure optimal hold, even when wet, for better control when operating your appliance.
