# Highlights

## Contour-following comb

The 2D combs gently follow the contours of your head for a smooth, even and comfortable hair cut.

## Skin friendly

The rounded edges on the blades and combs are designed to avoid scratching the skin for a more comfortable experience.

## Adjustable guide combs

Easily select and set your desired hair length without the hassle of having to change attachments.

## 100% washable

Conveniently washes under the tap for a thorough clean.

## Quick charge battery

The lithium-ion battery is fully charged in one hour and provides constant power for up to 60 minutes of cordless use.

## Cordless and corded use

For flexibility and convenience the headroom can be used with or without the power cord.

## Battery indicator

A light display flashes white to indicate that the battery is charging and turns constant when it is fully charged.

## Luxury storage case

Safely keep your product and accessories together in the luxury case. Includes a styling comb, scissors and a cleaning brush.

## Self-sharpening blades

The self-sharpening, stainless steel blades stay sharp longer and ensure top cutting performance.

## Lubrication for life

No need for oil maintenance.

## Range of 40 length settings

Two combs provide a full range of 40 length settings ranging from 3 to 40 mm with a precision of 1 mm between each step up.
