Hair clipper pro

Professional power

QC5345

Professional power

Cuts even the thickest hair

This powerful hair clipper cuts even the thickest hair, thanks to its ultra sharp blades and the most powerful lithium-ion battery on the market. One quick charge provides enough power for 75 minutes of cordless use.

Cuts even the thickest hair

- The most powerful battery on the market

Maximum precision

- Advanced contour-following comb for speed and comfort
- Skin-friendly blades and combs are gentle on skin
- High precision: 20 lock-in precision length settings

Minimum effort

- Adjustable guide combs for extra convenience
- 100% washable for easy cleaning
- Corded and cordless use
- Battery charging, full and low indication
- Self-sharpening blades
- Lubrication for life

Highlights

Maximum power

The lithium-Ion battery is fully charged in one hour and provides constant power for up to 75 minutes of cordless use.

Contour-following comb

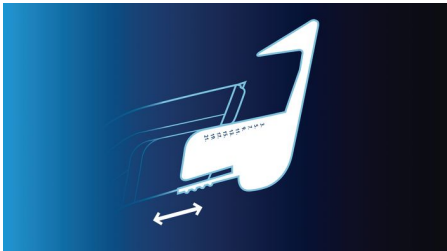

The 2D combs gently follow the contours of your head for a smooth, even and comfortable hair cut.

Skin friendly

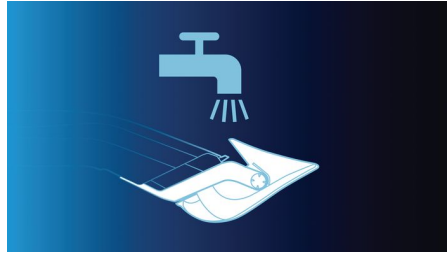

The rounded edges on the blades and combs are designed to avoid scratching the skin for a more comfortable experience.

Adjustable guide combs

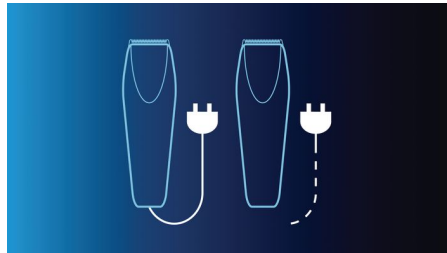

Easily select and set your desired hair length without the hassle of having to change attachments.

100% washable

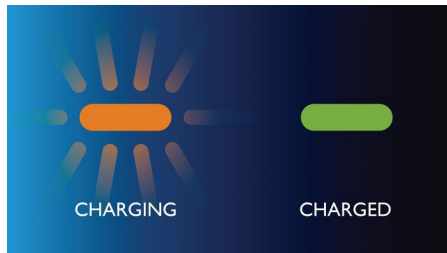

Conveniently washes under the tap for a thorough clean.

Corded and cordless use

For flexibility and convenience the headroom can be used with or without the power cord.

Battery indicator

A light display flashes white to indicate that the battery is charging and turns constant when it is fully charged.

Self-sharpening blades

The self-sharpening, stainless steel blades stay sharp longer and ensure top cutting performance.

Lubrication for life

No need for oil maintenance.

Range of 20 length settings

Two combs provide a full range of 20 length settings ranging from 3 to 41 mm with a precision of 2 mm between each step up.
