TT2039/13

Powerful trim, precise shave

Everywhere below the neck

The ultimate all-in-one solution, the Series 7000 features an integrated trimmer on one side and a skin-friendly, contour system on the other, for a comfortable and convenient trim or shave, anywhere below the neck.

Skin-friendly performance

- Adapts to the surface of your body for a precise shave
- Rounded tips and hypoallergenic foil for skin comfort
- Includes adjustable comb, trims hair from 3-11mm

Easy to use

- 50 minutes cordless use after an 8-hour charge
- Easy to clean and use in or out of the shower
- Easy to grip

Built to last

- 5 year warranty, worldwide voltage, no oil needed

Highlights

Skin contour system

The skin contour system catches and cut hairs of different lengths, without the need for multiple tools or skin contact with sharp edges. The bi-directional trimmers cut longer hairs, which are shaved by the foil for a closer result. The added flexibility of the contour system follows every angle and surface of your body for precisely the look you want.

Skin-friendly tips and foil

The skin comfort system features a hypo-allergenic foil and rounded tips to protect your skin while shaving.

Integrated trimmer with comb

The integrated trimmer and adjustable comb with 5 length settings is designed to offer more power to cut even the thickest hair. To maintain your desired hair length or get a natural look, adjust the comb to a length between 3-11mm. You can use the shaving system on the other side, for a closer result.

Rechargeable battery power

High-power NiMH battery for full body use, with 50 minutes of cordless use after an 8-hour charge. The battery light indicates power status, when the battery is low or full.

100% showerproof

Provides a comfortable and close result in and out of the shower. The bodygroomer is 100% showerproof, so you can simply rinse it clean when you've finished. For longer hair, trimming performance may be better on dry hair.

Ergonomic grip

Your body groomer is easy to hold and manoeuvre, with a rubber ergonomic grip to help you keep control while you trim.

Built to last

We back this Philips bodygroomer with a 5 year warranty offer. Simply register your trimmer on www.philips.co.uk/myphilips to receive an additional 3 years warranty, giving you a 5-year worldwide warranty in total. Our grooming products are built to last. You'll never need to oil it, and it's compatible with all worldwide voltages.
