# Highlights

## Stainless Steel Blades

Get a perfect yet protective trim, time after time. The trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra sharp and effective as on day 1.

## Cordless use, USB charging

Charge your trimmer for 8 hours with your any micro-USB cable to get 30 minutes of cordless use. You can plug it in to your laptop or use an adaptor.

## Ergonomic design

Easy to hold and use, which helps you trim in those hard-to-reach areas for fast trimming.

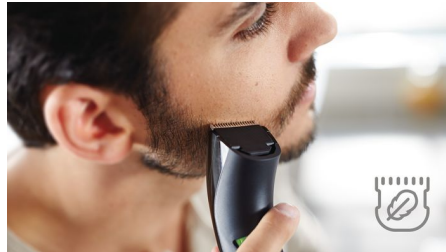

## 10 lock-in length settings

10

Get a 3-day shadow look of 1mm or a full beard of 10mm, in precise 1mm steps or remove the comb and get the zero trim look of 0.5mm.

## Skin-friendly blades

Get a perfect yet protective zero trim, time after time. They also have rounded tips and combs to help prevent skin irritation.

## Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.

## Easy to clean

It's easy to keep your Philips beard trimmer as good as new - simply rinse the device and detachable head under running water.
