Highlights

Bluetooth connected shaver

The world's first connected shaver connects to the Philips Smart Shaver app via Bluetooth. It shares your shaving data with the app to personalize the skin irritation prevention tips and make them even more relevant and effective.

Free Smart Shaver iPhone app

The Free Smart Shaver app for iPhone connects to the shaver via Bluetooth. It uses the connection to create personalized tips, send timely notifications, give extra shaver settings, and much more.

Smart notifications

The Smart Shaver and its connected app provide timely notifications on important subjects like skin care, shaving tips, shaver maintenance, etc. to make sure you are always ready – and look your best always.

Interactive user manual

The digital interactive user manual is a great place to start with your new shaver. It comes with the Smart Shaver app and helps you get the best from your new shaver, specially if it is your first electric shaver ever!

30 days money back guarantee

The Smart Shaver and the app are designed to prevent skin irritation from shave even if you have not used an electric shaver before. Try risk free for 30 days and we will give your money back if you still get skin irritation.

Talk to experts

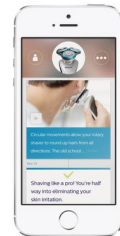

The shaving experts at Philips are determined to help you with your skin issues from shaving. If needed, you can reach out to them via the app for more information or questions.

Aquatec Wet & Dry

Adapt your shave routine to your needs. With the Aquatec Wet & Dry, you can go for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam even under the shower.

Connected iPhone app guidance

The Philips shaving experts have used their more than 75 years of shaving knowledge to create these shaving tips. They are proven to prevent skin irritation from shaving.
