Style with care, for soft, smooth waves and volume with Keratin infused Ceramic

Philips KeraShine Ionic styler allows you to easily create soft waves while caring for your hair. Heated 45mm barrel with Keratin coating secures long lasting results, and retractable bristles guarantee safe application.

Ease of use

- Retractable bristles for safe hair release

Shine and condition

- Ionic care for shiny, frizz-free hair

Beautiful hair

- 45mm heated barrel for soft waves

Long-lasting results for your hair type

- 2 styling temperature settings depending on your hair type

Less hair damage

- Protective ceramic coating with Keratin infusion

Highlights

Retractable bristles

Unique retractable bristles guarantee easy and safe application: just wrap your hair around the brush, rotate the cool tip, and the bristles will be retracted. This unique feature secures safe hair release, and maintains the perfect shape of your curl.

Ionic care

Ionic care for shiny, frizz-free hair
