- ThermoProtect temperature setting
- Cool shot to set your style

Easy to use

- 3 flexible heat and speed settings
- Easy storage hook for convenient storage

Attachments

- 20mm nozzle for focused airflow

Highlights

1800W of drying power

This 1800W hairdryer creates the optimum level of airflow, for beautiful results every day.

ThermoProtect temperature

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

3 flexible speed settings

This hairdryer offers 3 pre-selected speed/heat combinations to make it quick and easy to achieve the perfect style.

20 mm nozzle

The nozzle focuses the airflow for precision styling and touch-ups.

Cool shot

The Cool shot provides a burst of cold air - a must-have setting to set and finish your style.

Easy storage hook

A rubberized hook can be found on the base of the handle. Use to store easily at home or if staying at a hotel.
