- Compact design for easy handling
- Easy storage hook for convenient storage
- 1.8 m cord for maximum flexibility

Highlights

Specially designed for Asians

Specially designed for Asians

1600W for gentle drying

This 1600W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

EHD+ technology

Advanced Philips EHD+ technology means that your dryer will always distribute the heat very evenly – even at high temperatures, and

prevents damaging hot spots. This gives added protection and thus helps to keep your hair healthy and shiny.

Thermoprotect 57 C

Built in protection for hair, Thermoprotect retains a constant caring temperature of 57°C. This allows you to quickly dry your hair without overdrying, maintaining your hair's natural moisture level, for shiny healthy looking hair.

Six flexible speed and temperature settings

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.
