(Patented) Super Lift & Cut

Cordless and corded use

An efficient, powerful lithium-ion battery gives you more shaves per charge. You'll have up to 40 minutes of shaving time – that's around 14 shaves, after 8 hours of charging. Plug it in for 3 minutes and you'll have enough power for one shave.

DualPrecision heads

DualPrecision heads comfortably shave both long hairs and short stubble. 1. Slots cut long hairs. 2. Holes cut stubble.

Flexing heads

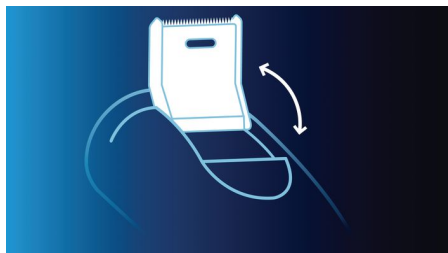

The flexing heads keep the shaving surface in close contact with your skin for a fast and efficient shave.

Fully washable heads

Simply pop the heads open, and thoroughly rinse under the tap.
