Highlights

Tormaline ceramic plates

Tourmaline ceramic plates glide smoothly through your hair, for a shiny frizz-free look.

100mm long plates

The longer 100mm plates enable better contact with the hair to help you achieve perfect straightening results easier and in less time.

210°C styling temperature

This high temperature enables you to change the style of your hair to achieve the look you want.

Fast heat-up time

The straightener has a fast heat-up time, being ready to use in 60 seconds.
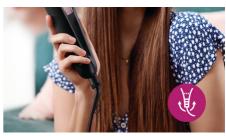

Key-lock function

The plates can be locked together for safe and easy storage.

Universal voltage

Compatible with 110-240 volts. Can be used wherever you travel in the world.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.
