## The dryer hairdressers would use at home

### SalonDry Pro AC

Want to dry your hair like the professionals? The SalonDry Pro – with 2000W of drying power coupled with a super professional AC motor – is the hairdryer you need if you're looking to recreate that salon style blow dry.

#### Beautifully styled hair

- Ceramic element with far-infrared heat
- Ion conditioning for frizz-free, shiny hair
- Extra cold shot fixates your style
- Ceramic Tourmaline volume diffuser for additional protection, volume & shine

#### Time saving

- Six flexible speed and temperature settings for full control
- Long-life AC motor powerful airflow for ultra-quick drying

#### Easy to use

- Salon length 3m power cord for maximum flexibility
- Ultra narrow concentrator for precise styling
- Soft grip for ease of use
- New lightweight design

#### Accessories

- Ceramic round brush for easy styling and added shine
