# Highlights

## Trim-n-Flow technology

Our Philips hair clipper with new, innovative comb is designed to prevent hair from getting stuck. So you can cut your hair, from start to finish, without interruptions.

## DualCut Technology

The Philips Hairclipper 3000 features advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

## Stainless steel blades

The self-sharpening steel blades are designed to be incredibly long-lasting. Even after 5 years they cut with the same precision and accuracy as day 1.

## 13 lock-in length settings

Cut your hair to the exact length you want. Just select one of 12 length settings between 1mm to 23mm at 2mm increments, or remove the comb for a close 0.5mm trim.

## Cordless & corded use

Don't get tangled up in your cordless hair clippers – one 8 hour charge provides up to 75 minutes of powerful clipping time. Or keep it plugged in for uninterrupted trimming.

## Comfortable grip

Philips clippers have a textured grip designed for easy handling, so you can cut your hair with control and in comfort.

## Easy to clean

Clean your electric hair clippers with ease. Simply click open the head to release and clean the blades.

## Zero maintenance

Clipping power that's easy to maintain—our blades never need oiling.
