## Keep a close shave.

Change heads every 12 months for best results

Every year your blades travel the height of Mt. Everest...49 times! After such a workout, even the best materials can lose their edge. Retain your shaver's peak performance—replace heads every 12 months.

### Easy to use

- Easy to replace heads

### Our best razor for ingrown hairs

- GentleCut heads cut just above skin level for smooth skin

### A smooth shave for a confident look

- Rotary Comfort System effortlessly glides over your skin

# Highlights

## Simple replacement

1. Open the shaver by pressing the "release" button. 2. Remove the retainer by turning the lock counterclockwise. 3. Take out the old shaving heads and carefully insert replacements; check that the heads align exactly in the setting. 4. Replace the retainer and secure it by turning the lock clockwise. 5. When you close the shaving head properly, you will hear it click into place.

## GentleCut heads

Gently cut just above skin level for smooth skin.

## Rotary Comfort System

Effortlessly glides over your skin for enhanced comfort and smoothness.
