

# PHILIPS

## hair clipper

Hairclipper series  
5000

45 min grooming

Precision: 3-41 mm

QC5330

## Haircuts are always even

Get an even haircut every time with the contour-following comb. The length settings of the Philips hair clipper are easy to select and lock into place. There are 21 length settings to choose from, ranging from 0.5mm to 41mm.

### Easy to use

- 2-year guarantee, worldwide voltage, no oil needed
- Pop-open head makes it easy to clean
- 45 minutes of cordless use after an 8-hour charge
- Battery light shows the battery status

### Performance

- High-performance self-sharpening steel blades

### Haircuts are always even

- 21 locking length settings from 0.5 mm to 41 mm
- Contour-following comb follows every curve of your head.

# Highlights

## 21 locking length settings

Two adjustable combs provide length settings from 3 mm to 41 mm, with precisely 2 mm between each length. Or you can use it without a comb for a close 0.5-mm trim.

## Battery light

Battery light glows green when full.

## Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.

## Easy to clean

Simply pop the head open and use the included cleaning brush to sweep away the loose hairs.

## Follows every curve

The hair clipper gently follows the contours of your head for a fast, even and comfortable haircut.

## Powerful cordless

Use it cordless or plugged in. You'll have 45 minutes of cordless power after 8 hours of charging.

## Self-sharpening steel blades

The steel blades of the electric shaver lightly brush against each other, so they sharpen themselves as you trim! The blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded tips to protect your skin.

# Specifications

## Service

2-year worldwide guarantee

## Accessories

Cleaning brush
