SilkProtect technology

Ceramic titanium plates

60 secs heat up time

BHS393/00

Straighten it. Style it

Make it smooth.

Silk Titanium Straightener delivers the style while being gentle on hair. Our protective technology optimizes temperature resulting in less heat exposure. The fast heat transfer deliver styling resulting in beautiful healthy-looking hair.

Beautifully styled hair

- Ceramic infused with titanium for perfect styling results
- Long plates to straighten or to create waves
- 2 temperature settings at 190°C and 210°C
- 210°C styling temperature

Care and protect

- SilkProtect Technology cares for your hair

Ease of use

- Fast heat-up time, ready to use in 60 sec
- Key-lock function for safe and easy storage
- 1.6m cord
- A useful swivel cord rotates and prevents tangled wires
- Universal voltage for worldwide use

Highlights

Ceramic Titanium Plate System

Ceramic plates infused with titanium allow for fast heat transfer and smooth gliding through the hair, ensuring beautiful styling performance.

SilkProtect Technology

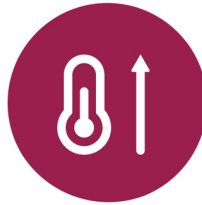

The SilkProtect technology ensures optimized temperature to minimize the heat exposure, leaving hair with a silky-smooth look.

Long plates

The SilkProtect technology ensures optimized temperature to minimize the heat exposure, leaving hair with a silky-smooth look.

Fast heat-up time

The straightener has a fast heat-up time, being ready to use in 60 seconds.

1.6m cord

1.6 meter cord for maximum flexibility

Swivel cord

The swivel cord technology conveniently rotates the cord and prevents unnecessary tangles.

Key-lock function

The plates can be locked together for safe and easy storage.

Universal voltage

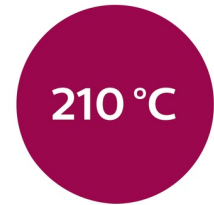

Compatible with 110–240 volts. Can be used wherever you travel in the world.

2 temperature settings

2 temperature settings at 190°C and 210°C. Lower temperature for last minute touch ups and gentle styling. Higher temperature for long lasting results.

210°C styling temperature

The high temperature enables you to change the style of your hair to achieve the look you want.
