Daily tip for radiant healthy looking skin use only with Philips VisaCare

When your skin is young it renews fast and is firm and glowing. With time your skin's metabolism slows down. That's why we have introduced VisaCare Prestige: your skin rejuvenation solution to address loss of firmness and dull complexion.

Daily tip for radiant healthy looking skin

- Surface stimulation for radiant, healthy looking skin

Gentle on your skin

- 150.000 crystal particles gently remove dull skin cells
- Suitable for all skin types

Easy to use

- Daily tip can be used every day for optimal results
- Easy click on replacement tip
- For the best results, replace every two months

Highlights

Radiant healthy looking skin

The 150.000 crystal particles on the daily tip gently remove dull skin cells. The surface stimulation enhances blood circulation for a healthy youthful glow. This tip can be used daily. 86% of the women agree*: "my skin looks more youthful".

Gently renew your skin

The crystal particles on the tip are gentle on your skin, as they are up to 20 times smaller than your normal scrub particles.

Daily tip to be used every day

Achieve immediate results with just 5 minutes treatment every day using the daily tip.

Suitable for all skin types

Can be used on all skin types, even delicate skin.

Easy to replace

Easy click on technique, fits on all VisaCare devices.

Replace every 2 months

For best results, we recommend replacing every two months.
