**PHILIPS**  
sense and simplicity

# Highlights

## Triple-Track shaving heads

The three shaving tracks of the Triple-Track shaving heads offer 50% more shaving surface than standard, single track rotary shaving heads.

## High performance design

The revolutionary design ensures superior handling for a perfect shaving experience.

## Precision tube trimmer

Patented tube trimmer technology for great precision and manoeuvrability. Perfect for contouring and trimming moustache and sideburns.

## Washable shaver

The water resistant shaver can be easily rinsed under the tap.

## Flex and Pivot Action

Three independently flexing heads in a shaving unit that swivels with full range of motion. This unique combination ensures optimum skin contact in curved areas to catch even the most problematic neck hair.

## Super Lift & Cut technology

The dual blade system lifts hairs to cut comfortably below skin level.
