# Highlights

## 3D contour-following comb

The unique 3-dimensional contour-following comb closely follows every curve giving you fast and comfortable results.

## Corded and cordless use

Use your product corded or cordless with the recharged battery for maximum power and freedom.

## Diamond-like carbon technology

The innovative Diamond-like carbon technology ensures the cutting element stays sharper longer.

## Multi-functional display

The multi-functional display shows battery status, chosen length setting in millimetres and whether the hair thinning option is on or off

## Storage case

The high quality case provides a storage solution for all the accessories and protects them from damage

## Skin friendly

The uniquely rounded blades and comb tips prevent scratching the skin.

## Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in only 1 hour for 60 minutes use.
