# Highlights

## Hypoallergenic discs

Reduce risk of allergic skin irritation, taking extra care of your skin.

## New ceramic epilation system

Thanks to its unique ceramic material and ergonomic shape the epilation head catches more hairs ensuring up to 20% faster\* epilation. \*Compared to Philips Satin Ice.

## Premium ice cooler

The patented ice cooler soothes the skin reducing the unpleasant feeling of epilation. Its pivoting head follows every curve of your body for optimal cooling and less pain.

## Sonic massage system

High-frequent massaging minimises the pulling sensation.

## Washable for extra hygiene

For extra hygiene and easy cleaning.
