- Professional precision: 40 lock-in precision length settings

#### Minimum effort

- Adjustable guide combs for extra convenience
- 100% washable for easy cleaning
- Efficient Power System: 8 hours/60 minutes
- Corded and cordless use
- Battery charging, full and low indication
- Self-sharpening blades
- Lubrication for life

**PHILIPS**  
sense and simplicity

# Highlights

## Contour-following comb

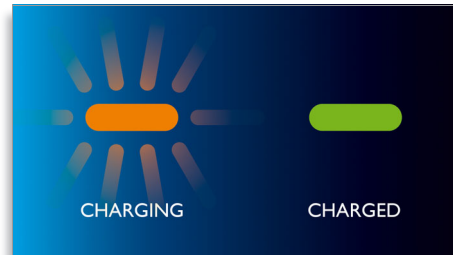

The 2D combs gently follow the contours of your head for a smooth, even and comfortable hair cut.

## 100% washable

Wash the Philips hair clipper conveniently under the tap for a thorough clean.

## Battery indicator

A light display flashes white to indicate that the battery is charging and turns constant when it is fully charged.

## Skin friendly

The rounded edges on the blades of your Philips hair clipper and combs are designed to avoid scratching the skin for a more comfortable experience.

## Efficient Power System

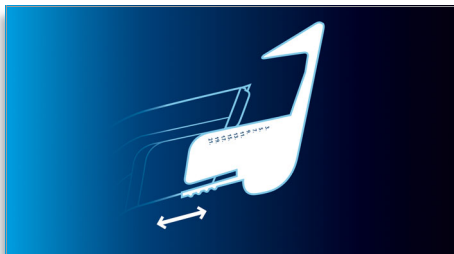

The battery is fully charged in 8 hours and provides power for up to 60 minutes of cordless use.

## Self-sharpening blades

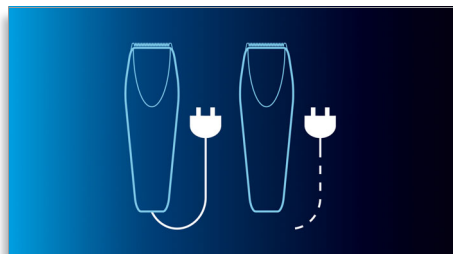

The self-sharpening, stainless steel blades stay sharp longer and ensure top cutting performance.

## Adjustable guide combs

Easily select and set your desired hair length without the hassle of having to change attachments.

## Corded and cordless use

For flexibility and convenience the headgroom can be used with or without the power cord.

## Lubrication for life

No need for oil maintenance.

## Range of 40 length settings

Two combs provide a full range of 40 length settings ranging from 3 to 40 mm with a precision of 1 mm between each step up.

# Specifications
