- Cool Shot sets your style
- Narrow concentrator for focused airflow

Easy to use

- Foldable handle for easy portability
- Dual voltage for worldwide use
- Easy storage hook for convenient storage
- Travel pouch included
- 1.8 m power cord

Highlights

1600W for gentle drying

This 1600W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

Foldable handle

This hairdryer benefits from a foldable handle. The result is a small, compact hair dryer that will easily pack into the smallest spaces and you can take virtually anywhere.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

Three flexible settings

The speed and heat required can be easily adjusted to create the perfect end result. Three flexible settings ensure precise and tailored styling.

Dual voltage

Dual voltage for worldwide use

1.8 m cord

1.8 m power cord

Cool Shot

A must-have professional function for hair stylers. The Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.
