- Cut hair to your length
- Self-sharpening blades for a smooth result

Easy to use

- 120 minutes of runtime
- Easy to grip
- Showerproof for convenient use in the shower and cleaning

Highlights

Self-sharpening blades

The self-sharpening steel blades on this trimmer for face and body are reinforced with iron and tempered for maximum strength. This results in blades that stay as sharp as day 1. No rusting. No blade oil needed.

16 tools for face, hair & body

The Philips Multigroom 7000 all-in-one hair trimmer comes with 16 attachments to provide a full-body grooming solution.

Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Bodyshaver with skin protector

Shave comfortably below the neck, with our unique skin protector system that guards even your most sensitive body areas and lets you shave to a closeness of 0.5mm

Precision shaver

Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

Wide hair clipper

Quickly create your own hair style. The extra wide 41mm hair clipper cuts through more hair per stroke.

Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

9 Impact-resistant combs

Quickly touch up your face and hair with the nine reinforced cutting guards. 2 stubble combs for 1mm and 2mm trimming, an adjustable beard comb, 4 wide hair combs at 4mm, 9mm, 12mm and 16mm, and 2 body combs for 3mm and 5mm grooming.
