- Closing lock to close the handle for easy and safe storage
- Automatic shut-off after 60 min
- Swivel cord to prevent tangled wires
- Universal voltage
- 1.8 m power cord
- 2 years of worldwide guarantee

# Highlights

## 220°C variable temperature

Accurate control 220°C with variable temperature

## Ionic Care

Give your hair an instant care with ionic conditioning. Charged negative ions eliminate static, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is hair that is beautifully shiny, smooth and frizz-free.

## Instant heat up

The straightener has a fast heat up time, being ready to use in 60 seconds

## Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

## Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

## Safe usage

Some hair straighteners and curling irons have been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.

## Ceramic coating

The smooth ceramic coated plates prevent damage to your hair during styling.

## 1.8 m cord

1.8 m power cord

## Universal voltage

Worldwide voltage for getting the perfect travel companion

## 2 years guarantee

2 years of worldwide guarantee.

## 220°C professional temperature

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.
