ComfortCut heads

3-in-1 tool

YS534/20

One tool, any look

Get a smooth face, perfect stubble and a groomed body really easily with this 3-in-1 tool. It has three separate attachments: for shaving, trimming and grooming. Just choose the one you want, click it onto the handle and get going.

Smooth face

- For extra skin protection, use with shaving cream
- Convenient and safe on skin

Perfect stubble

- Change your look with ease and precision
- Try different lengths to get the trim that suits you best

Groomed body

- Easy and safe body hair trimming and shaving
- The handle and bodygroom attachment are water-resistant

Easy to use

- Choose between 3 click-on/off attachments to get your look
- Get up to 40 minutes of cordless power after a 1-hour charge
- Battery light shows when battery is low, charging or full
- 2-year guarantee, worldwide voltage and replaceable blades
- SmartClick system for easy click-on/off attachments

Highlights

Click-on/click-off attachments

Just click the attachment you need onto the handle to turn it into a shaver, beard trimmer or bodygroom. Click it off again when you've finished. For a smooth face, choose the shaver. For perfect stubble, reach for the trimmer. Want to groom your body hair? Time for the bodygroom. One tool, any look.

Smooth face

Shave wet with shaving cream for extra skin protection, or dry for convenience.

Smooth face

The dual rotary razor attachment is designed for an easy and clean shave with no nicks and cuts.

Perfect stubble

Create anything from perfect stubble to a neatly trimmed beard or mustache. Simply rinse under the tap to clean.

5 different length settings

Choose from 5 length settings: 1mm for perfect 3-day stubble to 5mm for a short beard.

Groomed body

Rounded combs and pearlized tips prevent skin irritation for reliably smooth grooming all over your body.

Water-resistant

Comfortably trim and shave all your body hair, under the shower if you prefer.

Quick 1-hour charge

The powerful battery lasts up to 40 minutes after a 1-hour charge. A 5-minute charge gives you several minutes of running time, so you can quickly finish off.

Battery light

The battery light goes on to show when the battery is low, charging or full.
