Highlights

Premium ice cooler with pivoting head

The patented ice cooler soothes the skin reducing the unpleasant feeling of epilation. Its pivoting head follows every curve of your body for optimal cooling and less pain.

New ceramic epilation system

Thanks to its unique ceramic material and ergonomic shape the epilation head catches more hairs ensuring up to 20% faster epilation. *Compared to Philips Satin Ice

Hypoallergenic discs for better skin care

The hypoallergenic epilation head reduces the risk of allergic skin irritation taking extra care of your skin.

Active massage system for skin relaxation

The integrated massaging system relaxes your skin and makes Satinelle Ice the gentlest epilator from Philips.
