Highlights

20mm tong

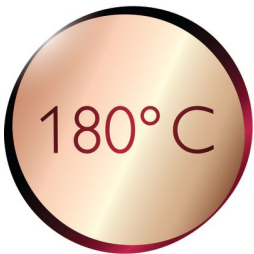

If you want to create beautiful curls, you need to use a curling iron with a medium sized diameter. 20 mm is the perfect size for creating fashionable wide curls and waves.

Gentle on your hair

Protective ceramic coating ensures even heat distribution and less hair damage for shiny and soft hair.

180°C temperature

This high temperature enables you change the shape of your hair, and gives you that perfect look like you've just come from the salon.

Slide-on brush

This attachment can be easily placed on tong to create additional volume and beautiful wavy styles.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.
