- Washable shaver

PHILIPS

sense and simplicity

Highlights

Precision Cutting System

Ultra-thin heads with slots to shave long hairs and holes to shave the shortest stubble.

Super Lift & Cut technology

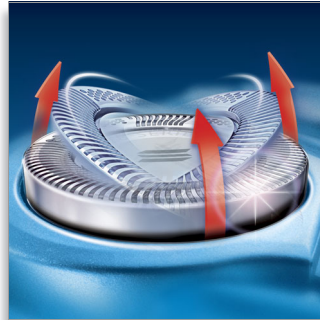

The dual blade system lifts hairs to cut comfortably below skin level.

3D Contour-following system

The 3D Contour-following system allows the individual shaving heads to move, enabling them to closely follow the curves of your face and neck. For a perfectly close shave, even in difficult-to-reach areas.

Individually floating heads

Align the razor sharp blades closer to your skin for exceptional closeness.
