Smooth glide, sensitive shave

Philips' no. 1 on sensitive skin*

Take the edge off shaving. Specially designed to be comfortable on sensitive skin, the Philips Shaver series 7000 features comfort rings with a unique microbead coating which enables the shaver to glide effortlessly across your face.

Designed for maximum skin comfort

- Anti-friction microbead coating for a smooth glide
- Heads effortlessly flex in 5 directions for extra comfort
- Get a comfortable dry or refreshing wet shave with Aquatec

A close and smooth shave

- Blades gently guide hairs for a close, sensitive shave
- Lifts hairs to cut comfortably close

Easy to use

- Intuitive display makes the functions easy to use
- 50 minutes of cordless shaving after a one-hour charge
- Shaver can be rinsed clean under the tap
- Comes with a 2-year guarantee

Get the most out of your shaver

- Click-on beard styler with 5 length settings
- Click-on brush for deep and gentle facial cleansing

Highlights

Comfort rings

Our Comfort rings contain a unique coating—consisting of thousands of powder-like beads—that creates a soft, low-resistance surface which allows the shaver to glide effortlessly across your face, reducing irritation and leaving your skin smooth.

GentlePrecision Blade System

Our specially-designed blade system protects your skin while cutting extremely close on long, short and flat-lying hairs. The slots are engineered to position each hair at its ideal cutting point, so as to carefully cut without damaging your skin.

5-direction DynamicFlex Heads

DynamicFlex heads effortlessly move in 5 directions to follow every curve of your face and neck for a more comfortable shave.

Aquatec Wet and Dry

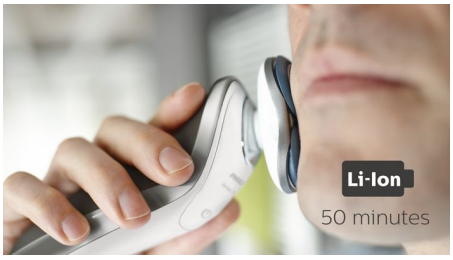

Choose how you prefer to shave. With the AquaTec Wet and Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

3 level battery indicator

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: 3-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator

50 minutes of cordless shaving

The energy-efficient, powerful lithium-ion battery system gives you two convenient options: Charge it for an hour for up to 50 minutes of shaving time, or a quick charge for one full shave. All Shaver series 7000 models are designed to operate only in cordless mode to ensure safety in wet environments.

SmartClick beard styler

Change your look with the SmartClick beard styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

SmartClick Cleansing Brush

Developed for gentle treatment on sensitive skin. Simply click the brush on your shaver and use it together with the cleanser of your choice. The 32,000 active bristles thoroughly and gently clean even the hardest-to-reach areas of your face for smooth and healthy-looking skin.
