## Keep a close shave

Change heads every 12 months for best results

Every year, your blades travel the height of Mt. Everest ... 49 times! After such a workout, even the best materials can lose their edge. Retain your razor's peak performance – Replace the heads once every 12 months.

### Comfortably close

- Super Lift & Cut shaving technology with dual blade system

### Microgroove

- Microgroove for a closer shave

# Highlights

## Super Lift & Cut technology

Dual blade system of your Philips shaver: first blade lifts, second blade cuts for a comfortable close shave.

## Microgroove for a closer shave

Microgroove for a closer shave
