Efficient cut

- Double-sharpened blade ensures a fast hair cut experience
- PowerDrive Technology for an efficient hair cut
- High quality blade for a durable performance

Safe and Family friendly

- Rounded tips design to ensure a gentle scalp protection
- 58 dB(A) low noise operation, gentle care for whole family

Highlights

45 minutes cordless use

Use cordlessly for up to 45 minutes after an 8-hour charge. We suggest to use the clipper cordlessly only, in case of urgency, you also can use it while charging as well.

Dual-cut cutting system

The double-sharpened moving cutter ensures an efficient hair cut without pulling.

Ergonomic design

The ergonomically designed handle is easy to grip, offering a comfortable holding experience.

New sliding comb design

No need to frequently changing the combs when cutting hair, the new designed sliding comb can help you easily select 7 different length you want from 3 - 21mm, with precisely 3mm between each length. You can change the length settings in single hand, easy to operate even for new users.

PowerDrive Technology

Powerful motor rotates at optimal speed of 5500 times per minute* to ensure an efficient hair cut without pulling.

Quality stainless steel blade

High quality stainless steel blade with sharp cutters to make sure an efficient cut without sticking hair. The quality blades are built to last, stay as sharp as day one even for a long time usage.

Special designed rounded tips

Special designed rounded tips to ensure a gentle contact with skin. Protecting scalp from accident scratch or cut.

Ultra quiet

58 dB(A) low noise operation, gentle care for whole family
