

Keep a close shave

Change heads every 12 months for best results

Every year, your blades travel the height of Mt. Everest...49 times! After such a workout, even the best materials can lose their edge. Retain your razor's peak performance — Replace the shaving heads once every 12 months.

Comfortably close

- Super Lift & Cut shaving technology with dual blade system

Shave in or out of the shower

- Wet use

Highlights

Super Lift & Cut technology

Dual-blade system of your Philips shaver: first blade lifts, second blade cuts for a comfortable close shave.

Wet use

Use the shaver in the shower to save time and give yourself the fresh sensation of wet shaving.
