- Ceramic epilation system

Minimises pulling sensation

- Active massage system to minimize pain of epilating

For extra hygiene

- Washable epilation head for extra hygiene and easy cleaning

Cordless epilation, everywhere!

- Charging stand included

Highlights

Ceramic epilation system

This epilator has an unique ceramic material and ergonomic shape, for up to 20% faster* epilation. *compared to Philips Satin Ice.

Active massage system

The Satinelle ice has an active massaging system. This relaxes the skin, softening the pain of epilating. The result is a gentler, more comfortable epilating experience.

Washable epilation head

Washable epilation head for extra hygiene and easy cleaning

Charging stand included

Cordless epilation, everywhere!
