

PHILIPS

Cutting Element
FMG

CP0911

A cutting element to give you fast and clean trim

This full metal cutting element is created to give you a fast and clean trim. Use the element without comb to create a short look of 0.5 mm. Use the trimmer in combination with a comb to achieve other cutting lengths and touch ups.

Ease of using Philips spare parts

- Easy renew your product with original Philips parts

Highlights

Easy renew of product parts

From time to time your product needs a facelift but it was never so easy like with Philips consumer replacement parts to renew your product. This all with guaranteed Philips quality.
