Reveal your skin's perfection

Epilator with Skin Perfect system

The Philips SatinPerfect epilator with SkinPerfect system removes even fine, short hairs while protecting the skin. Includes precision epilator that gently removes hair in intimate areas.

Comfortable epilation

- Washable epilation head for optimal hygiene
- Opti-light reveals even the finest hair

Smooth skin

- Active lift and massage attachment removes flat-lying hairs
- Wide epilator head covers more skin per stroke
- Ceramic textured discs remove even fine, short hairs
- Gentle tweezing discs remove hair without pulling skin
- Vibrating massage bar stimulates your skin

Sensitive area solutions

- Cordless mini epilator for precise details

Highlights

Active hair lift attachment

Active hair lift and massage attachment removes fine, flat-lying hairs and soothes the skin

Ceramic textured discs

This epilator has ceramic textured discs to gently remove even the finest hair

Gentle tweezing discs

This epilator has gentle tweezing discs to remove hair without pulling the skin.

Cordless precision epilator

A precious solution for precious body parts. Slender, gentle precision epilator ideal for sensitive area's and travelling.

Washable epilation head

This epilator has a washable epilation head. The head can be detached and cleaned under running water for better hygiene

Wide epilation head

Our extra wide epilation head provides you with optimal hair removal in each stroke for long lasting and super smooth results in minutes.

Massage attachment

Gently vibrating massage bar stimulates and soothes the skin for a pleasant epilation process.

Opti-light

Built in Opti-light reveals tiny, fine hairs clearly
