- Fast heat up time, ready to use in 30 seconds
- Automatic shut-off after 1 hour
- Easy lock for convenient storage
- Including glamorous pouch for easy storage
- Swivel cord to prevent tangled wires
- Easy storage hook for convenient storage
- 2 m cord for ease of use

Highlights

230°C professional temperature

This high temperature enables you to change the shape of your hair, and gives you that perfect look like you've just come from the salon.

Ceramic plates

Ceramic is microscopically smooth and durable by nature and it is one of the best materials for straightening plates. The plates glide effortlessly through your hair, giving you perfect shiny hair.

Ion Conditioning

Ion Conditioning for shiny, frizz free hair

Digital settings

Digital settings with adjustable heat to get smooth results with all hairtypes

EHD+ technology

Advanced Philips EHD+ technology means that your styler will always distribute the heat very evenly – even at high temperatures, and prevents damaging hot spots. This gives added protection and thus helps to keep your hair healthy and shiny.

Instant heat up

The straightener has a fast heat up time, being ready to use in 30 seconds

Automatic shut-off after 1 hour

Automatic shut-off after 1 hour

Easy lock

Easy lock for convenient storage

Including glamorous pouch

Including glamorous pouch for easy storage

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

2 m cord

The long cord gives you maximum flexibility.
