- Store it all to go

Highlights

DualCut technology

The all-in-one hair trimmer features DualCut technology for maximum precision. It comes with 2x more blades, designed to self-sharpen and stay as effective as it is on day 1 for up to 4 years.

9 tools for face, hair & body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

Trimmer

Use the trimmer without a comb to get clean, sharp lines around your beard, neck and hairline. The trimmer's self-sharpening blades remain as sharp as day 1, even after 3 years of use.

Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

6 Impact-resistant combs

2 stubble combs (1,2 mm) , 1 adjustable beard comb (3-7 mm), 2 hair combs (9,12 mm) and 1 body comb (3 mm).

Up to 80 minute run time

Get up to 80 minutes of cordless use for every 16-hour charge.

No-slip rubber grip

Philips Multigroom is easy to hold and manoeuvre, with a rubber ergonomic grip for superior comfort and control while trimming.

Waterproof

Simply rinse the device and attachments after each use for long-lasting performance.

Shave it off

The OneBlade doesn't shave as close as a traditional blade, ensuring your skin stays comfortable. Go against the grain and easily shave off any length of hair with this sensitive skin hybrid styler.

Edge it up

Get the perfect lines in seconds with the dual-sided blade, enabling you to see every hair you're cutting.

Storage pouch

Declutter your bathroom and your gym bag, with a small storage pouch for easy organization and travel that keeps all your attachments together in one place.
