- Best drying temperature with ThermoProtect
- Gentle, yet effective styling power
- Two flexible heat and speed settings for more control

Easy to use

- 2 years of worldwide guarantee
- 1.6 meter cord for maximum flexibility

PHILIPS

Highlights

Volumizer Attachment

The volumizer attachment is uniquely designed to easily create volume from the roots and enhance your style with an extra touch of glamour.

Narrow Concentrator

The concentrator focuses airflow through the opening to specific areas. This results in better touch-ups or more precise styling to finish your look.

ThermoProtect Temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating your hair. With the same powerful airflow, you will get the best results in a caring way.

650W

This 650W air styler creates the optimum level of airflow for a gentle drying power to help you achieve beautiful results every day.

Two flexible settings

The speed and heat required can be easily adjusted to create the perfect end result.

1.6 Meter Cord

1.6 meter cord for maximum flexibility

2 years guarantee

2 years of worldwide guarantee.
