HP8663

Naturally straight looks, waves and soft curls

Dry & style at once - the new Philips Essential Care airstyler allows you to dry and style your hair at once, whilst providing maximum care to your hair. Its 4 attachments really work, making it easy to create beautiful natural styles.

Beautifully styled hair

- 800W styling power for beautiful results
- 38mm thermo brush to smoothen your hair
- Narrow concentrator for focused airflow
- Retractable bristle brush for easy curling
- Three flexible heat and speed settings for easy control
- Paddle Straightening Brush for naturally straight looks

Easy to use

- Easy storage hook for convenient storage
- 2 years of worldwide guarantee
- Swivel cord to prevent tangled wires
- 1.8 m cord for maximum flexibility

Prevent damage

- Best drying temperature with ThermoProtect temperature
- Cool air setting for extra gentle drying

PHILIPS

Highlights

1.8 m cord

1.8 m cord for maximum flexibility.

2 years guarantee

2 years of worldwide guarantee.

38mm thermo brush

The thermo brush has an extra wide diameter of 38mm. The width of the barrel makes it the perfect styling tool for creating smooth styles and waves.

800W

The Air Styler with 800W airflow for a gentle drying and styling. Achieve beautiful results every day.

Cool air setting

A cool air setting allows you to dry hair at relatively low temperature to minimize damage, which is suitable for especially fine, dry and damaged hair. And it is a perfect setting for the hot summer season!

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

Narrow concentrator

The concentrator of the hair dryer works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch ups or to finish a hair style.

Paddle Straightening Brush

With the innovative Paddle Straightening Brush, attached to the handle, you can create beautiful naturally straight looking hair, without damage.

Retractable bristle brush

This easy to use airstyler is both a styling brush and curler in one. The bristles retract into the brush at the touch of a button, so you can easily slide the styler out of your hair. What's left is a beautiful bouncy curl.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

Three flexible settings

The speed and heat required can be easily adjusted to create the perfect result. Three flexible settings ensure precise and tailored styling.

Shine and condition

Ionic conditioning makes it possible to dry hair without static. Charged negative ions eliminate static hair, condition and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is smooth, frizz-free hair that shines beautifully.

Specifications

Caring technologies

- Ion technology
- ThermoProtect

Ease of use

- Storage hook
- Swivel cord

Power

- Voltage: 220-240V
